SKILLS

- ✓ **SELENIUM**
- ✓ **JAVA**
- ✓ **TestNG**
- ✓ **HTML & CSS**
- ✓ **SQL**
- ✓ **LEAN SIX SIGMA**
- ✓ **UFT**
- ✓ **EXCEL VBA**
- ✓ **VBSCRIPT**
- ✓ **AGILE METHODOLOGY**
- ✓ **CLOUD COMPUTING**

CERTIFICATIONS

- ✓ **AZURE FUNDAMENTALS (AZ900)**
- ✓ **WEB DEVELOPMENT BOOTCAMP 2022 – UDEMY**
- ✓ **SELENIUM WEBDRIVER WITH JAVA - UDEMY**
- ✓ **LEAN SIX SIGMA GREEN BELT**

PON SANKARA NAVEEN R K

QA Automation Engineer with 2.8+ years of experience in Health Care domain -aspiring to excel in the world of Automation through innovative ideas and technical skills.

ACADEMIC CHRONICLES

Course	Institute	Year of Passing	Score
B.E (MECH)	K.L.N. COLLEGE OF ENGINEERING	2020	**81%**
H.S.C	MEPCO SCHLENK MAT. HR. SEC. SCHOOL	2016	**86%**
S.S.L.C	MEPCO SCHLENK MAT. HR. SEC. SCHOOL	2014	**96%**

PROJECTS AND EXPERIENCE

➢ **COGNIZANT TECHNOLOGY SOLUTIONS | DEC 2020 - PRESENT**

🔹 **Automation Engineer – HC CSR Application**

- Created, Maintained and Executed **automated test scripts** for web application in regular basis ensuring that the application is defect free.
- Effectively serving as QA Automation tester in a scrum team by taking responsibilities on **System testing, Regression testing, End To End testing and API testing**.
- Developed **integrated test scripts** to carryout entire End To End testing by combining presentation layer test scripts with backend testing tools.
- Did **WCAG** testing with the help of NVDA tool in order to ensure that the application is WCAG compliant.
- Effectively coordinating with dev team, PO, BA, Scrum master, back end teams, Infra and DB team in order to ensure that requirements are fulfilled as expected.

🔹 **Test Analyst – Cloud Migration Project**

- Ensured effective migration of on-perm '**Provider** and **Payer'** web application** into **Azure environment**. Carried out Functional validation and Integration testing on Azure environment. Also, validated the 'Endurance, Lantency, Compliance and FTP' components within designed timeperiod.
- Learned and get certified in **Azure Fundamentals** which helped in raising and solving issues specific to cloud environment like WAF, FTP stability, Timestamp, Special characters security issues in prior notice inorder to maintain constant ontime signoff.
- Created **VBA automated tool** to do data setup and also automated the day-to-day frequent activities like logging into VPN, VM , to applcation and screenshot functionalities.
- Created **Selenium VBA** test scripts to carryout Smoke test on web application whenever a patch update is carried out in Azure environment, which saved a lot of time and effort.

➢ **INTERNSHIP**

🔹 **TRACTORS AND FARM EQUIPMENTS (TAFE), MADURAI**

Have learned and applied **VSME** and **LEAN** concepts and suggested a solution to increase the Productivity and Efficiency by eliminating the Non Value Added (**NVA**) activities.

➢ COLLEGE LEVEL PROJECTS

⊹ BOREWELL RESCUE SYSTEM

Fabricated a device To Save a Child That Is Stuck in a Deep Bore Well. Mechanism used in this device is Inverted Umbrella Mechanism.

⊹ SIMULATION OF BLOW MOLDING USING ANSYS POLYFLOW

Reduced the Material cost involved in manufacturing of water bottle through Blow molding process with the help of Ansys Polyflow Software.

INPLANT TRAINING

➢ TVS, Madurai

TVS Sundharam Automobile Service Center is the place where my first on foot industrial experience started. I observed and learned the real time functioning of an organization, Organization structure and Customer relationship management.

AWARDS AND ACHIEVEMENTS

- ✓ **20213 | COGNIZANT TECHNOLOGY SOLUTIONS**.
  Got recognized and awarded with cheer points with special mention on great performance and value added automation scripts and ideas to execute end to end testing on IVR functionalities.

- ✓ **2021 | COGNIZANT TECHNOLOGY SOLUTIONS**.
  "Rising Star – Silver" - got recognized and awarded with cheer points with special mention on great performance and value added automation tools which reduced the daily routine repeated activities, which in turn saves time and efforts with greater efficiency.

- ✓ **2016 TO 2020 | KLN COLLEGE OF ENGINEERING**.
  - **"Mechpro Project Contest Winner" -** Won 1st prize in student project contest "Mechpro 2019" for the project entitled "Bore well Rescue System".
  - **"Academic Topper – Gold Medal" -** Awarded with gol d medal for scoring 1st rank in the years 2017-2018, 2018 - 2019 and 2019 - 2020.
  - **"Academic Topper – Cash Price" -** Awarded with cash prize for scoring CGPA > 7.5 and attendance>80% in the years 2016-2017, 2017-2018, 2018 - 2019 and 2019 – 2020.

ORGANISED EVENTS

- ➢ Organised **MECH SYMPOSIUM** 2019 in KLN College of Engineering.
- ➢ Organised three **SPORTS DAY EVENT** and lead those event as **School Pupil Leader** during the years 2013, 2014 and 2015 in Mepco Schlenk Matric Hr. Sec School.
- ➢ Coordinated and Organised **Annual Day function** as **School Pupil Leader** during the years 2014 in Mepco Schlenk Matric Hr. Sec School. In this event directed a mime script with the theme of saving Water.
- ➢ Organised a district level sports event during the years 2012 in Mepco Schlenk Matric Hr. Sec School.
